Expect More... We Deliver!®

For over 130 years, commercial and residential contractors have gone to CalPortland for ready-mixed concrete, sand, gravel and cement.

With 27 locations in Washington and Oregon, there's sure to be a CalPortland near you.

Whether you need one cubic yard of concrete or thousands, you'll be glad you called CalPortland. The dispatchers, batch persons, drivers and sales personnel are all committed to finding out your needs and working with you to solve any problems.

With the largest quality control staff in the Northwest, and an established reputation for meeting and exceeding demanding and unusual mix requirements, CalPortland has the experienced people you can count on.

EXPECT MORE ... WE DELIVER!®

For over 130 years, commercial and residential contractors have gone to CalPortland for ready-mixed concrete, sand, gravel and cement.

With 27 locations in Washington and Oregon, there's sure to be a CalPortland near you.

Whether you need one cubic yard of concrete or thousands, you'll be glad you called CalPortland. The dispatchers, batch persons, drivers and sales personnel are all committed to finding out your needs and working with you to solve any problems.

With the largest quality control staff in the Northwest, and an established reputation for meeting and exceeding demanding and unusual mix requirements, CalPortland has the experienced people you can count on.

Call for a location near you.

Peterson Rebar Placement

PO Box 1425 Port Angeles, WA 98362(360) 460-1095

Peterson Rebar Placement**LET'S BUILD TOGETHER****SLAB REINFORCEMENT**

Steel reinforcing bars and welded wire reinforcement provide crack width control in nonstructural slabs-on-ground.

STRUCTURAL REINFORCEMENT

The providing for increased load capacities in existing buildings and structures or their individual parts. The need for structural reinforcement usually occurs in cases where the load bearing structures no longer meet the requirements for normal use as a result of higher loads or the appearance of unacceptable defects.
