Concrete Products, LLC.

Keeping the small business feel as it was meant to be.®

Shope Concrete has been serving the puget sound for over 100 years!

Since 1917, Shope has provided contractors with more concrete products than one can imagine. From small tile pipe in the 1920's and 30's, to today's products that include concrete pipe, manholes, catch basins, and specialized design structures.

Along the way we've carried a philosophy still in practice today: "Take care of your customers, and they will take care of you." We invite you to speak with one of our experienced sales representatives.

Come see for yourself why so many Washington State contractors today count on Shope Concrete for all of their precast needs.
